

Global Sourcing

Keep the Quality, Cut the Cost

www.wurthindustry.com

As a **single-source** supplier, we import components and assemblies from other countries with lower manufacturing costs—passing the savings on to you

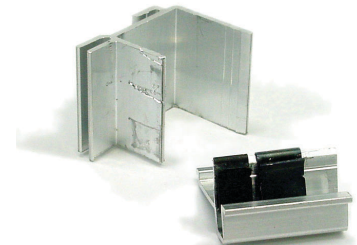

Quality and delivery are maintained at your current measures or improved

Engineering involvement is key to a successful global sourcing strategy. We work with your team every step of the way

Call us for any size quantity—any amount can show a substantial **cost savings**

Price, delivery, and **packaging** are all economical

Short **lead times**: inquiry to sample delivery in 30-60 days and sample approval to part delivery in 120 days

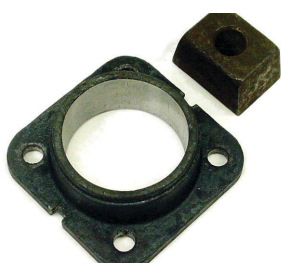

ALUMINUM EXTRUSIONS

ASSEMBLIES
